

Inspired by Scandinavian design of the 1950s, TREWOOD designed by Faro Lab combines the warmth of wood with the robustness of the black metal structure. Its distinctive joint between the legs and the base is suitable for large spaces and living rooms. Available with or without a table, this imposing floor lamp has a matt black metal structure and a parchment shade. Elegance and practicality in one piece. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.
