

TATAWIN LINEAL M is a family of light fixtures designed by Adolfo Abejón. The shape of the shade is reminiscent of the upper part of the characteristic houses of Tataouine, a city in southeast Tunisia. This black linear pendant light has white opal glass shades. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.

General characteristics

| | |
